

Local COVID-19 Vaccination Guide

COVID-19 vaccination is now available to everyone 16 and older*. With supply increasing, there are many options in our area to schedule your vaccination.

Updated 4/19/21

SPRINGFIELD:

Visit vaccination.mhsil.com to schedule your vaccination at our South Sixth Street drive-thru location.

DECATUR:

People who live or work in Macon County can register for a Decatur Memorial Hospital/Crossing Healthcare vaccination clinic by visiting CrossingHealthcare.org or by calling 217-877-9117.

LINCOLN:

Learn about local clinics by the Logan County Health Department at LCDPH.org/covid-vaccine-clinics.

JACKSONVILLE:

Learn about local clinics cosponsored by the Morgan County Health Department and Passavant Area Hospital at MorganHD.com/COVID-19.

TAYLORVILLE:

Learn about local clinics at the Christian County Health Department at CCHDIL.org/Covid-Info.

Choose Safe. Choose the Vaccine.

LOCAL HEALTH DEPARTMENTS

Illinois Department of Public Health has an online vaccination finder at coronavirus.illinois.gov/s/vaccination-location.
