Urgent Care West Moving Out West on Wabash

(April 7, 2021) Springfield Clinic Urgent Care West has moved to a new, convenient location to make urgent care easily accessible and even more convenient on the west side of town.

Springfield Clinic Urgent Care West's new location has moved further west on Wabash to the Yellowstone complex next to Bella Milano and close by to Springfield Clinic's West Side Drive-Up Lab on Hamlin Parkway. The new hours will be Monday through Sunday, 8 a.m. to 6 p.m., and the new address is:

4525 West Wabash Avenue
Springfield, IL 62711

This new office, which will now be called **Springfield Clinic Urgent Care West Wabash**, provides a space exclusively for urgent care services along with ample parking and easy access to the building. Patients can continue booking appointments through the website (www.SpringfieldClinic.com/UrgentCare), but should remember that, starting April 7, their appointment will be at the new location.

Patients can 'like' Springfield Clinic's new Urgent Care Facebook page at www.facebook.com/SCurgentcare/ for real-time updates, both about the move now and services later.

About Springfield Clinic

Springfield Clinic is a forward-thinking, physician-led multispecialty medical group devoted to providing the highest quality health care to its patients. More than 550 physicians and advanced practitioners deliver care in approximately 80 medical specialties and sub-specialties serving more than 20 counties and covering one million patients in the greater central Illinois area. As one of the largest private multispecialty medical clinics in the state, Springfield Clinic currently employs over 2,500 clinical and administrative staff members who are committed to improving health, providing value and serving the community. For more information, visit us online at www.SpringfieldClinic.com.
